

Safeguarding and Welfare Requirement: Health

Where children are provided with meals, snacks and drinks, they must be healthy, balanced and nutritious.

6.5 Food and drink

Policy statement

Our provision regards snack and meal times as an important part of our day. Eating represents a social time for children and adults and helps children to learn about healthy eating. We promote healthy eating using resources and materials from the Pre-school Learning Alliance. At snack and meal times, we aim to provide nutritious food, which meets the children's individual dietary needs.

Procedures

We follow these procedures to promote healthy eating in our setting.

- Before a child starts to attend the setting, we ask their parents about their dietary needs and preferences, including any allergies. (See the Managing Children who are Sick, Infectious or with Allergies Policy.)
- We record information about each child's dietary needs in the Registration Form and parents sign the form to signify that it is correct.
- We regularly consult with parents to ensure that our records of their children's dietary needs – including any allergies - are up-to-date. Parents sign the up-dated record to signify that it is correct.
- We organise meal and snack times so that they are social occasions in which children and staff participate.
- We use meal and snack times to help children to develop independence through making choices, serving food and drink and feeding themselves..
- We have fresh drinking water constantly available for the children. We inform the children about how to obtain the water and that they can ask for water at any time during the day..
- We inform parents who provide food for their children about the storage facilities available in the setting.
- We give parents who provide food for their children information about suitable containers for food.
- In order to protect children with food allergies, we discourage children from sharing and swapping their food with one another.

Packed lunches

Where we cannot provide cooked meals and children are required to bring packed lunches, we:

- ensure perishable contents of packed lunches are refrigerated or contain an ice pack to keep food cool;
- inform parents of our policy on healthy eating;
- inform parents of whether we have facilities to microwave cooked food brought from home;

- encourage parents to provide sandwiches with a healthy filling, fruit, and milk based deserts, such as yoghurt or crème fraîche, where we can only provide cold food from home. We discourage sweet drinks and can provide children with water.
- discourage packed lunch contents that consist largely of crisps, processed foods, sweet drinks and sweet products such as cakes or biscuits. We reserve the right to return this food to the parent as a last resort;
- ensure staff sit with children to eat their lunch so that the mealtime is a social occasion.

Legal framework

- Regulation (EC) 852/2004 of the European Parliament and of the Council on the Hygiene of Foodstuffs.
